

BOWDENS

GHOST COURIER

X DEC. 22/82

We as the committee would like to thank Rick Short, Bob Rivard, Larry Johnson, Ken Smiley, Mike Leask and other men who helped the social go over well. Except heavy unnecessary security paranoiding everyone the social went very well. Most staff tried to hinder and put obstacles in our way, but some were very helpful - Mr. Bosse, Mr. Larson, Mr. Druhall, Mr. Don Spiller, Jerry Kelm and Wayne. We are deepest thank you. As a matter of fact Custody (security) was very cooperative, as for living unit staff very un-cooperative. So to all a very Merry Christmas and a Happy New Year and may the Lord Jesus Christ Bless.

Thanks Matt for your view on the social (Glorified - Visit) but I got a different opinion from a lot of people. First the social was not adequately prepared for the garbage that piled up which they used boxes for, finally a member of the rec. staff went and was able to get several garbage bags. Second, the social was thought to be boring, slow, dull, just a glorified visit and in ones opinion it stank. Well it was not all that bad, but the final problem that should be corrected in the future is the pool table equipment, it should be put away so that the children do not smash each others skulls in, there were several instances that I witnessed were one child or another almost hit another with pool sticks and pool racks, I am amazed the pool balls were put away.

Note to editor

Pool cues were locked in the back room of the Rec. office prior to the social.

I know what a pool cue looks like and I would not make up a story.

## BOOK REVIEW

By Glen Stewart

This book is in the same class as Shogun and hoble house. What shogun does for japan and hoble house for hong kong, GORKY PARK does for Moscow and Washington in the present day. Written with the authentic detail of actual experience, it blends a hair raising murder, super spy thriller, genuine love story, human polotics, integrity, cowardice, greed, pride and runs a jaunt of human emotions and character traits. By Mantia in the library.
