committee NEWS

FOR THE WEEK ENDING JANUARY 17, 1980

PRESENT:

AL ODA, EDDIE ROUSE, JOHN WURTZ,

KEN DEYARMOND, GARY JACKSON, D. OHRLING.

REPORTS:

PRESIDENT: (ODA)

To date, there really isn't too much to tell you. Our meeting with Administration will be held on Jan. 30th. so we'll let you know what happens there.

We've been working on getting some live entertainment here & there will be a group here on the 27th., B.C.T.V. will also be here to film, so any one who comes must sign a photo release form. The gym will be locked until the group is ready to play, & they advised us that they'll start at around 7 or so & play until 9:30. As Stated, the gym doors will be locked so, only those who will be helping will be allowed in until the group is ready to play. The name of the group is " Out of Hand Jive Band ".

There's also a good possibility that another group will be here the 1st or 2nd Sunday of Feb. If all goes well, there may be a group here this Sunday on the 20th., it doesn't leave much time, but we're trying to get them cleared now. The name of this group is London & they're from out of Toronto. If they can't make it this weekend, & they stay in town, they'll be out here on the 3rd of Feb. for sure. This will also be televised by C.K.V.U. - T.V.

The name of the group for Feb. is Hard Breed, this group consists of 4 guys & a lead singer. The lead singer is a chick, & this too will probably have T.V. coverage. The guys from Universal Olympic Gym may be coming back in again. This will be in Feb. some time.

We're trying to get groups in here every month, but it's not that easy so bear with us. May & June will be good cause we've got 4 groups booked for each of these 2 months. The groups in May will be ' Powder Blues Band, Rythm & Blues All Stars, Doug & the Slugs and possibly Doucette.

We're also going to try to get a big name group or a single recording artist here for March. We've spoken with CTV & if we get a big name, they're willing to come in here & do a special & show it coast to coast. This of course will take a lot of setting up as CTV has advised us that they'll want to do a good job on it so if this comes off, the gym may be closed for a couple of days in order for them to get it all set up properly.

Do us a favour, anyone who submits any kind of I.T.F. for the welfare fund or Photographs make sure you have the bread in your account. It's a drag for us to chase the guys down, & if you don't have any bread, your not screwing the joint, your screwing the hole population cause we have to make good for those N.S.F.'s & if the Committee's broke, then so is everybody else in here. Because with out any bread, we can't do a damn thing & we'll lose what we've got happening now.

SECRETARY: (ROUSE)

I still have 14 photographs from the Childrens Open House at Christmas. If these are not picked up in the next week I will assume that the parents of these children do not want the photo's and they will probably be destroyed.

TIER REPRESENTATIVES - There are two openings for tier reps on 2 West and 3 West, due to the transfers of Ray Schunenman and Mike (C.B.) Mould. Please submit your names to me at 1 North 20 or leave your names at the Committee Office.

There is a possibility of getting another outside food order which will be PIZZA & MILKSHAKES, there will probably be three kinds and at the best price that we can find.

The Variety Club Telethon is being held on February 16th & 17th. We do have this on the agenda for the next Committee / Administration meeting but because of the time it takes, we would like to see some contributions for it from the population. When it is approved we can then submit the I.T.F.'s for clearance immediately. Just drop your I.T.F.'s for the donations at my cage on 1 North or at the Committee Office.

EDUCATION & TRAINING: (DEYARMOND)

We are looking for six (6) to eight (8) guys from the population who are willing to sit and listen to Grievances (1st level) as members of the INMATE GRIEVANCE BOARD. This is on a rotation basis only, which means only once in a while. So if any of you guys out there have an interest in this, contact Ken at 2 East 14 in the evenings or in the Committee Office.

ATTENTION!!! Charlie Molter, Supervisor of U/Vic. will need a clerk in about two weeks time. So if anyone has an interest in this job position, get in touch with Mr. Hiendrichs of the work board and also Steve Duguid of U/Vic. The job entails ansering phones, typing out memo's and the like.

SERVICES: (OHRLING)

As I have taken over Rick Rye's position on the Inmate Committee I will be handling the same areas; Kit., Hosp., S.I.S., and S.C.U., anyone encountering any diffielties in these areas, be it minor or major, please feel free to call on me. Being a member of an Inmate Committee is a new experience for me, however, I feel that the main requirement for this position is not experience but selflessness.
