BI-WEEKLY, PUBLISHED BY INMATE COMMITTEE IN FERNDAL INSTITUTION

FROM THE WARDEN

I would like to take this opportunity to wish everyone best for the new year. I have now been here for eight months and I have been most impressed with the responsible attitude that the residents have displayed. This has gone a long way to promote a healthy and supportive atmosphere at the institution. I would particularly like to express my appreciation for your cooperation during the holiday season. Often, this can be a troubling time of the year. However, we did not experience any negative incidents.

All of the planned events were well organized and appreciated. I would also like to acknowledge the inmate committee for all their work in planning and organizing events.

I look forward to the new year as we make efforts to improve our programs and activities in preparing people for release.

INMATE COMMITTEE

The committee has been informed that the BC Tel company will remove all the phones if there's any more paper found shoved in the coin slots. Anyone who has supplies from the tournaments, return them to Karl Chipak 101, trailer three.

UNCLE BILL'S CORNER

Don't forget to keep your house clean.

WORKS DEPARTMENT

Anyone found screwing with the fire bells will be severely dealt with. Tom Smith would like to remind the population: there are openings on the Corcan crews. If you are able and want to work, please, apply.

KITCHEN MESSAGE

When the staff go through the units on their weekly inspection, it is the responsibility of the unit reps to ensure that the remarks made on the report sheets are dealt with immediately.

If you wish, the staff will come back to re-check the areas concerned to give the guys a chance.

SOCIAL DEVELOPMENT

Pierre would like to remind everyone to be careful when using pool cues and try not to break the tips. There has been a rash of breakage and he just can't keep up with the demand. Whoever is grabbing all the TA forms, please take only what you need, and not what you want. If this continues, Pierre will have to keep them in his office.
