The Boim' Time Review

EDITORIAL

Good day fellow inmates, and yes, once again we find our paper has a new editor and to go with it a new name. In with the new, out with the old.

It's kinda funny but no one appreciates this job much. To me, it's a pretty good job all the way around. For pen pay it's a good job, plus to go with the great pay I get a spacious office. Real quality stuff.

Well, what can I devote this editorial to? How about our grand, brand new constitution? True, it really isn't new news but it's gotta due for now. Anyway getting back on topic, I was just thinking about the constitution and what it does for guys like us, who just happen to be doing time. Really, besides some guy telling me that we now have the right to vote while we're in prison, I've heard little or nothing on it's benefits for us guys. I'm quite sure that it must have something in it that pertains to us. It has to and yet no one goes out of his way to inform us about it. Nothing new really after all we are nearly inmates right? Wrong!!! I think that anything of this nature should be to the fullest, explained. Even though, at the moment we find ourselves in prison we deserve to know totally about our rights as inmates and even more so when we eventually do hit the streets.

SOCIALS

The Native Brotherhood is holding it's social on September. 11, and all natives are welcomed. This social is in honour of Indian Day.

On Sept. 19, 1982 there will be a social and all inmates are required to pay \$5.00 per visit or \$20.00 per group. During the course of the day there will be a great number of sporting events to commemorate the late Terry Fox. The spirit, determination and courage of this young man inspired our nation for the short time that we were blessed with his company. Terry will be remembered as a hero in a time when heroes are few and far between.

LIFE SKILLS

Interviews for life skills are being taken now by Gal Richardson. These interviews are for the 11th life skills course in Bowden and having been in group 10 myself I can say that it is a worthwhile course. The starting date of group 11 is October. 04, 1982.

SNOOKER TOURNAMENT

There will be a snooker tournament on or around the day of the social and all proceeds from this will go to the Cancer Society. There will be a entry fee of \$1.00 and for all those guys who think that they're Willi Mosconi there will be a handicap so everyone who enters stands a chance of winning.

..SPORTS Continued..

On or around the day of October 11, there will be a game of flag football between unit 1 and unit 2. I have been told that there is going to be a cup, the thanksgiving cup, for the winners and it would be kinda nice if the rec staff could give the winning team a prize to go along with that glorius cup.

RECREATION NEWS

The recreation staff are in the midst of starting up a new E.T.A. program that will continue on through out the winter. This particular program centers around bowling and will start on Sept. 26.

FREEDOM

Freedom is
the very law of Life,
Life itself
is rooted in freedom.
We are not
machines,
we are not
pre-programmed,
we are utter freedoms.
NOW it is up to us,
what to make of it.
You have to take
your life into
your own hands,
and you
are responsible for it.
NO fate is responsible,
no destiny is responsible,
you have to
create yourself
by your own effort.
The total responsibility
is yours.
